All BOSS brand fish portions are processed to ensure freshness and superior taste. All products are Individually Vacuum Packed (IVP) to maximize shelf life and provide convenience to the operator. All BOSS brand products are 100% Net Weight.

BOSS Yellowfin Tuna

Our Yellowfin Tuna products are caught in the pristine waters of the Western Pacific Rim. All products are CO treated and have a mild flavor and firm texture. Yellowfin tuna adapts well to numerous applications – center of the plate, appetizer, salads & more – baked, grilled or seared. We offer Tuna in 4, 6, 8 or 10 oz. STEAKS, 16 oz. SAKU Blocks or Medallions packed in 10 lb. cases. Our Center Cut Loins are available 5/8 lb. each in 30 lb. cases.

BOSS Snapper Fillets

Our Snapper Fillets are wild caught in the deep tropical waters of the Pacific. Our fillets are scaled, skin-on and CO Treated. A favorite on any menu – Snapper offers a delicate flavor and firm texture – this fillet can be steamed, baked or sautéed. We offer our Snapper Fillets in both Scarlett and Crimson when available in 4-6, 6-8, 8-10, 10-12, 12-14, 14-16 and 16 oz. & up sizes ... all packed in 10 lb. cases. All fillets are Natural Cuts.

BOSS Mahi Mahi Portions

Our Mahi Portions are fished from the clear blue waters off the coast of Ecuador. A firm and flaky light pink flesh – it is sweet and delicate but firm. It can hold up in many applications, sauces, blackening, toppings – casual dining sandwich to upscale entrees – allowing it to grow in popularity across restaurants everywhere. Available in 6 or 8 oz. portions, in 10 lb. cases and individually vacuum packed (IVP).
